

## Please Join Us At the 2010 Virginia Ag Expo

**Date:** Thursday, August 5, 2010

**Time:** 7:30am - 3:30pm

**Location:** Windsor Farm, 16484 King's Highway,  
Montross, VA 22520

**Event:** Live Propane-fueled irrigation engine and lawn mower demonstration starting at 10am & 1pm at booths G&H. Learn how propane can help your operation run more efficiently, and how you can save up to \$2,500 when you purchase a new propane fueled irrigation engine or lawn mower.

Bring this invitation to the demonstration to receive a FREE lunch voucher courtesy of Virginia Propane Gas Association. All attendees will also get a thumb drive with helpful information about using propane-powered equipment on the farm!
